***Re: Resignation – Citizens Advisory Committee, Contra Costa
Transportation Authority***

Honorable Council Members:

I hereby submit my resignation as the representative of the City of Lafayette to the Citizens Advisory Committee, Contra Costa Transportation Authority. Due to family care giving responsibilities I have been increasingly absent from the Bay Area and have missed several recent meetings of the CAC. Unfortunately, it now appears that my absence will continue for an indefinite period. As a consequence, I am no longer able to fully participate in the activities of the CAC as well as county and regional transit planning activities pertaining thereto. The City of Lafayette deserves an appointee to the CAC that can devote the necessary time and attention to local and regional transit issues. I would like to thank the City of Lafayette for affording me the opportunity to have served for several years on the Citizens Advisory Committee.

Sincerely yours,

Fred Wright Lopez
